

Effingham Monument offers a wide variety of monument sizes and styles to suit every cemetery requirement and family budget. We hope this guide will be helpful in determining which type of monument you are interested in. Please feel free to visit our Online Catalog & Monument Designer to browse our extensive catalog of designs that may be customized for you and your loved ones. You may also try your hand at designing your own.

Family or Estate Monuments

These monuments typically display a family name and have multiple ledgers, bevel markers, slant markers or flat markers to represent individual members of the family.

Companion Monuments

These monuments typically have inscription panels on the face of the monument for individuals.

Individual Monuments

These monuments are typically smaller and are ideal for individuals. It is possible to place inscriptions on one of these monuments for two individuals, however space may be limited.

Half Serpentine Monuments

These monuments may be used for Family or Estate monuments, Individual Monuments or Companion monuments depending on the arrangement of the inscriptions and placement of markers or ledgers for individuals. It is also a nice way to feature a vase for flowers.

Wing-Style Monuments

These are popular companion style monuments and present a nice opportunity for a flower vase.
