

Effingham Monument offers a wide variety of monument sizes and styles to suit every cemetery requirement and family budget. We hope this guide will be helpful in determining which type of monument you are interested in. Please feel free to visit our Online Catalog & Monument Designer to browse our extensive catalog of designs that may be customized for you and your loved ones. You may also try your hand at designing your own.

Family or Estate Monuments

These monuments typically display a family name and have multiple ledgers, bevel markers, slant markers or flat markers to represent individual members of the family.

Companion Monuments

These monuments typically have inscription panels on the face of the monument for individuals.

Individual Monuments

These monuments are typically smaller and are ideal for individuals. It is possible to place inscriptions on one of these monuments for two individuals, however space may be limited.

Half Serpentine Monuments

These monuments may be used for Family or Estate monuments, Individual Monuments or Companion monuments depending on the arrangement of the inscriptions and placement of markers or ledgers for individuals. It is also a nice way to feature a vase for flowers.

Wing-Style Monuments

These are popular companion style monuments and present a nice opportunity for a flower vase.

Decorative Markers are available in a variety of sizes and shapes. They can be made from a variety of materials, including granite, marble, and bronze. They can be engraved with names, dates, and messages. They can also be decorated with flowers, ribbons, and other items. They are a beautiful way to honor a loved one.

Decorative Markers are available in a variety of sizes and shapes. They can be made from a variety of materials, including granite, marble, and bronze. They can be engraved with names, dates, and messages. They can also be decorated with flowers, ribbons, and other items. They are a beautiful way to honor a loved one.

Flat Markers are small, low-profile markers or flush markers because they are flat or flush against the ground.

Traditional Headstones are large, upright markers, often with simple family portraits, inscriptions, and dates.

Engravings are typically placed on a black stone and may be created by hand or by machine.

Benches are another popular choice for families. Benches can be made of granite, marble, or bronze. They are often placed in a cemetery to provide a place for families to sit and reflect on the lives of their loved ones.

Monuments can be made of granite, marble, or bronze. They are often placed in a cemetery to provide a place for families to sit and reflect on the lives of their loved ones.

A Crypt or Mausoleum can be an ideal way to preserve the memory of an individual or an entire family. Crypt designs are available in a variety of configurations, and a walk-in mausoleum can be custom designed for two to eight niches.

Monuments can be made of granite, marble, or bronze. They are often placed in a cemetery to provide a place for families to sit and reflect on the lives of their loved ones.
